SIZING

Use the measurement that best represents your size. The waist measurement is the least important when choosing your size.

PW uses a 4-way stretch Fabric and for best fit, the garment needs to be a snug fit to the body and should not be loose. We do not recommend you go up a size to allow for growth as the Fabric will stretch with growth.

1. **Bust:** Taken at fullest part of the chest
2. **Waist:** Taken at natural waistline
3. **Hip:** Taken around fullest part of the buttocks
4. **Torso:** From right shoulder through the leg and back up to the right shoulder. Do not pull tape tight.
5. **Inner Leg:** From the crotch to 2.5cm above floor in bare feet.

Our **children's sizes** usually correspond to the child's age. If it is for an average eight-year-old then a size 8 should fit.
